**-- Estate Planning For Your Pet --**  
**Free Seminar Addresses Unique Planning Associated With Pet Ownership**

Pomona, NY – September 22, 2008: If you have pets and wonder what would happen to them if something happened to you, then this seminar is not to be missed. Very often people presume that their family or friends will want to care for a beloved pet if something happened to the pet's primary care giver ... we can tell you from experience that is not always the case. If you want to take control of what happens to your pet in the event you are incapacitated, or suffer an unexpected disability or die, then please join us. The seminar is free and without solicitation. The seminar will take place in the "main house" at the Tolstoy Foundation, 104 Lake Road, Valley Cottage on Tuesday, September 30 at 7pm and refreshments will be served.

Expert panel speakers include:

- Raymond Mundy - Hudson Valley Humane Society president will direct the discussion and focus on the nuances related to animals.
- James P. Kane, Esq. – Brown, Brown & Kane, LLP – Mr. Kane will be present to explain the appropriate legal documents and how they must be structured.
- A financial planner will also be in attendance to outline the various tools available for this purpose.

Seating is limited and reservations are required; for information call 845-267-8795 or email [HVHSVisitingPets@aol.com](mailto:HVHSVisitingPets@aol.com).
