-- Pet Care Industry Developments -- Pomona Park Kennel ABKA Accredited

Pomona, NY: June 12, 2006: Members of Pomona Park Kennel in Pomona, NY recently attended the American Boarding Kennel Association's 2005 Regional Meeting where they participated in educational seminars. This year's meeting, held in Meredith, New Hampshire, included seminars on a variety of different subjects including kennel design, pet health and employee management. "Attending seminars such as this allows us to share current information and stay abreast of changes in the industry" cited Ray Mundy, President of the HVHS/PPK (the Hudson Valley Humane Society owns and operates Pomona Park Kennel since August 2003).

Mr. Mundy was asked to present the topic "Dog Law" to the attendees. There was enormous interest in this topic and the agenda was revised to have Mr. Mundy continue to field questions the following day. "It is wonderful to have enthusiastic people in the audience as it illustrates their commitment to not only this topic, but to animal welfare overall." He continued, "I applaud their dedication."
