Humane Law Enforcement at "Suffern Day" Event

August 29, 2005 -- Pomona, NY: The Hudson Valley Humane Society's Humane Law Enforcement Agents will take part in "Suffern Day" on Saturday, September 24, 2005 from 11:00am to 3:00pm at the Village Athletic Fields. Agents will be on hand to answer questions and provide overall information about this important service to the community. "We are thrilled to participate and have this opportunity to speak with residents" cited Cruelty Agent, Marc Kissel, who spearheads the effort for the HVHS. He continued, "The public is a key element in identifying cases of animal abuse; by reporting situations, they become our partners in stopping abuse." The Agents will provide a handy reference tool for residents; it contains contact numbers and general information regarding reporting acts of animal cruelty. Visitors are welcome to stop by the HVHS location in the athletic field.

All are welcome. "Suffern Day" is sponsored by the Village of Suffern; rain date September 25, 2005. The day's agenda will include music, food, games, community displays and more! For further information about the HVHS, contact Ann Marie Gaudio, 845-942-1382. This event is free and open to the public.

The HVHS is a private, tax-exempt organization, chartered as a society for prevention of cruelty to animals in New York State and has cared for abandoned, unwanted and abused animals in Rockland County since 1891.
